

Stretton School Newsletter

Issue 13

3 May 2017

We have hit the ground running this term and there is also plenty going on around the school. The garden is blooming and the children are doing plenty of planting, growing and watering. The (slowly) improving weather means more outdoor lessons and even the first picnic lunch of the year. Prep 2 have already been on a trip and there are many more to come during the term, as well as visits to the school. It is wonderful to see so many children sharing their achievements from outside school activities too! A very busy Summer Term lies ahead!

Transition

We have started our new topic, 'Growing'. The children have done some still life painting of flowers and drew pictures of flowers using clipboards. We have also planted our vegetables and herbs. The children have set the cress seeds and we have been experimenting what happens when watering and not watering seeds.

Dates for your Diary

Friday 5 May
Prep 1 & Prep 3
Trip to Framlingham Castle

Wednesday 10 May
Talk by Air Ambulance
Non-school Uniform Day
£2 per child

Monday 15 May
Sun Awareness Week
Talk by NHS Skin Specialists

Wednesday 17 May
Soft Play Day
Nippers & Nursery

Thursday 18 May
FOSS Quiz Night
£10 per head

Wednesday 24 May
Class Photographs

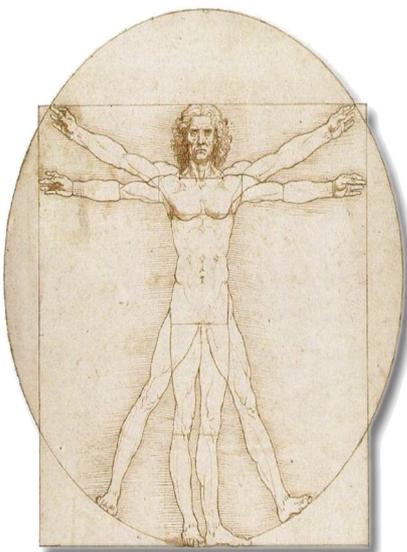

Thursday 8 June
Teddy Bears Picnic
£1 per child

Reverend Patrick Richmond visited the Prep classes to tell them about the Parable of the Sower.

For our Easter theme, Nippers have made sheep using cotton wool.

Prep 3 and the Vitruvian Man

Prep 3 have been doing lots of measuring and recording this week using our own bodies. We have been testing and comparing Leonardo Da Vinci's body ratios from the Vitruvian Man. This has been a great test of our practical maths skills and also helps with our drawing skills!
