

Prep 2 'On the Move'

'Castle and Sun'

Prep 1 have been looking at Paul Klee's painting, 'Castle and Sun'. We made our own versions by drawing around some 2D shapes and colouring in with bright colours

As part of their study of transport, Prep 2 planned a trip to Wroxham Miniature Worlds. We used maps and timetables to organise the trip and work out the cost. Despite a bus passing by full and one missed train, we had a wonderful day and learned a lot about public transport and trip planning. We had a great time looking at the different toys and train layouts and finding little details in the displays.

Well Done!!

Both Ruby and Matilda in Transition received certificates for completing the season at "Tiny Triers" Rugby.

Ruby in Transition achieved a Bronze Mouse badge at ski school, for zig-zagging down the slope.

Ruby in Prep 3 achieved Merit awards in Ballet and Modern Jazz.

We are keen to hear about your children's achievements. Please tell us about them!

House Point Totals

Kett - 176 Walpole - 214

Stars and house points are earned through achievement, effort, helpfulness, kindness, good behaviour and contribution in class. Totals will be added to Sports Day results to find the overall House Cup winner for the year.
