

## Maths Investigations

Prep 2 have been improving their Maths skills by trying different activities with measuring and position. They used balance scales to find out the weight of different objects using cubes to balance them. We found out some things were too heavy so we are going to use special weights next time (g and Kg).

We have also been using Lego to create mazes. We have tried to give the Lego figures directions to get out of the maze. It is very hard to decide whether they should turn left or right!

## World Book Day

On Friday March 4<sup>th</sup>, we will be celebrating World Book Day. The children have the opportunity to come to school dressed as their favourite character and bring their favourite book with them. Prep 2 and 3 will do writing based on their books.

Each child will also receive a book token that can be exchanged for one of the special World Book Day books. More information can be found at

[www.worldbookday.com](http://www.worldbookday.com)

## Valentine's Day Craft Morning

On Wednesday 10<sup>th</sup> February, all of the children at Stretton were lucky enough to get the chance to design a special Valentine's Day tile. They used pens, fingerprints, handprints and footprints to design beautiful messages to bring home to their loved ones. The finished tiles looked wonderful and huge thanks to Mrs Cohen for her hard work with every class that day!

## Well Done

Congratulations to \_\_\_\_\_ in Transition who achieved his 10m Swimming Award.

*We are keen to hear about and recognise your child's achievements outside school. Please do tell us about them.*

## Our House Names: Kett

Robert Kett was a wealthy farmer from Wymondham who led a rebellion against the fencing off of common land in 1549. He invaded and held the City of Norwich for nearly six weeks before the King sent an army of 15,000 men to retake the city. He is remembered for standing up for the rights of poor farmers who needed common land to graze their animals.

## House Point Totals

**Kett - 265**

**Walpole - 284**

**Well done to all the children who have received stars. Keep working hard and behaving well - only 4 more weeks until the end of term!**
