Dear Parents

Information Request

I would be grateful if you could please complete the attached information sheet for your child and return it to school as soon as possible.

This provides the school with important information regarding out of school hobbies, clubs, interests and achievements, which a number of schools will request from us as part of their school's entry and selection process. It is also nice information for us to have for daily classroom discussions, topic work etc.

As always, if you have any questions or wish to speak to either me or Mrs Brydon regarding your child then please feel free to pop in and see us.
